

Telecommunications and Signal Processing TSP 2014

37th INTERNATIONAL CONFERENCE ON TELECOMMUNICATIONS AND SIGNAL PROCESSING

JULY 1-3, 2014, BERLIN, GERMANY

- Platform for exchanging ideas in telecommunications and signal processing since 1977
- Growing international audience (190 published papers, 5 continents, 29 countries)
- Fees optimized for young academics, researchers, and developers

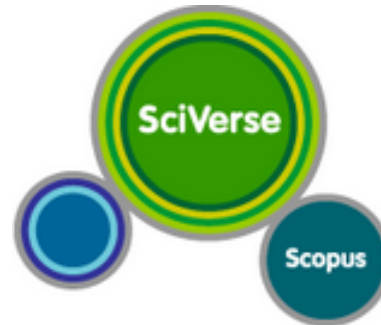

Telecommunications and Signal Processing

TSP 2014

- Indexing & Abstracting:

IEEE Xplore®
DIGITAL LIBRARY

- Post-conference Special Issues:

- TSP 2013

- Journal of Applied Research and Technology (JART), Mexico; IF= 0.355
 - International Journal of Advances in Telecommunications, Electrotechnics, Signals and Systems (IJATES)
 - Elektrorevue

- TSP 2014: ???

Full Paper Submission by: February 4, 2014
